Web design and development, end to end - brand, interface, code, and deployment. I've shipped stores, portfolios, and platforms for clients in the US, Europe, and Latin America.

EXPERIENCE

Freelance Web Developer & Designer

2023 - Present

Independent · Peru

Sites designed, built, and deployed, plus the infrastructure that keeps them up: DNS, SSL, hosting, email deliverability. Remote work, usually alongside the client's own team.

Junior UI Designer

2025 - 2026

Design In DC · United States

Junior designer at a Washington DC agency, remote from Lima. A year and a half of interface work on client web projects.

Freelance Graphic Designer

2020 - 2023

Independent · Peru

Print and identity work in Lima. Brochures, forms, and institutional documents for a medical company, flyers for the city's electronic music scene, and logos for small businesses getting started.

Community Manager

2021 - 2023

T&IL Cleaning Services · United States

Social content for a Baltimore cleaning company: posts and short video for Instagram, Facebook, and TikTok. I also handled client messages and scheduling.

SELECTED WORK

Tony Decay - Limited-edition print store for illustrator Tony Decay - brand, shop, and a live inventory counter, built end to end.

Silverback Stripes - Storefront redesign for a combat-sports apparel brand - rebuilt the homepage, navigation, and key brand pages.

Superself.online - Site and brand for an electronic music label - a playful desktop-style interface, generative visuals, a live shoutbox, and a shop. Built end to end, in three languages.

Micaela Lucía - Portfolio for a photographer and filmmaker - editorial layout, animated transitions, and a client-managed CMS. Designed, built, and deployed end to end.

Digeart - Personal project - a hand-curated discovery app for underground electronic music, with genre filters and YouTube playback.
